PROFESSIONAL PROFILE

Aspiring Front-End Developer with a solid understanding of HTML, CSS, and JavaScript, acquired through dedicated learning and hands-on projects. Eager to apply foundational skills in crafting visually appealing and responsive user interfaces.

PROJECTS

Personal Portfolio

November 2023 - December 2023

Developed a professional and visually appealing personal portfolio website using HTML and CSS to showcase my skills, projects, and achievements. Implemented a clean and responsive design to ensure optimal viewing across various devices. Leveraged CSS styling techniques and layout principles to create an aesthetically pleasing and user-friendly interface

Weather website

January 2024 - January 2024

Designed and developed a user-friendly weather website using HTML, CSS, and JavaScript. Used Integrated API to dynamically fetch and display real-time weather data for user-specified cities. Utilized asynchronous JavaScript to enhance user experience and provide a seamless interface for checking weather conditions.
